### **Buzz Print's Core Capabilities**

Buzz Print has structured its business model on a divisional basis centered on the production method of the products produced by the company.

This divisional approach enables Buzz Print to focus its production and product development around a specific product range and to tailor our products and services to our Clients individual requirements.

These divisions and core capabilities are:-

- ❖ **Graphic Design**
- ❖ **Offset & Digital Printing**
- ❖ **Signage**
- ❖ **Promotional Products**
- ❖ **Specialty Services**
- ❖ **Architectural Services**

On the 1<sup>st</sup> January 2014 Buzz Print purchased the 50 year old signage business known as D.A. Heiser Sign & Screen Co whose operations were incorporated within Buzz Print. This purchase has enabled Buzz Print to expand our signage production capacity and to offer corporate clients a design, manufacture, installation and shipping service of their signage requirements throughout Australasia.

Buzz Print are able to offer clients a "One Stop" shop for all printing requirements from business cards and stationery, WH & S docket books, advertising collateral and training manuals through to small stickers, advertising and safety signage up to the design manufacture and installation of bill board skins. Buzz Print is able to supply signage on any substrate.

### **Project Management Service**

For large and complicated jobs Buzz Print is able to allocate dedicated Project and Client Managers who take responsibility for the whole project giving clients a single point of contact and peace of mind that the project will be printed, finished and delivered on time, every time.

### **Remote Site Capabilities**

Through servicing our multinational clients printing and signage requirements for over 30 years Buzz Print has developed expertise in the development, production and delivery of printed material for disbursement to multiple sites many of which are in remote, isolated locations across Australia and overseas, typically mining, industrial or infrastructure development sites.

Buzz Print ship printed material on a daily basis to client sites from Weipa, North Queensland to Tasmania to Perth, Western Australia. Freight delivery times include an overnight service to Sydney, two business days to Melbourne and five business days by road express to Perth. Air freight shipments are also available for urgent shipments if required.
